Gates "Don't Wait, Get to the Gate: The Game Starts with the Anthem."

Enhanced NFL public safety measures may lead to increased entry times to the game, and we don't want you to miss any of the pre-game excitement. Stadium gates open two hours prior to kick-off. We **STRONGLY ENCOURAGE** fans to arrive early and be patient when entering the stadium. The enhanced public safety procedures at stadium gates recommended by the NFL will increase comfort and safety of fans at the game but will require extra time for inspections and screening. Walk-through metal detectors will be used at the gates.

Here are some helpful hints to allow for easier access into the stadium:

When approaching the walk-through metal detectors, you do not need to remove your cell phones, keys, hat, jacket, belt, wallet, watch, coins or other objects of similar size. Only place any large metal objects on the table next to the metal detectors.

Wait for security to instruct you to walk through the metal detector, one person at a time. If the device detects something, you may be asked to re-check your pockets and go through the metal detector again, or you may be screened with a hand-held metal detector. Once you are screened, pick up your personal items and proceed to the gate for your mobile ticket to be scanned.

You and your belongings may be searched upon entry into Soldier Field. We suggest you not bring any bags, and only one NFL approved bag per person will be permitted; see "Bag Policy." By tendering your mobile ticket and entering the stadium, you consent to such searches and waive any related claims that you might have against the NFL, its member clubs, their affiliates, and stadium landlord – their agents. If you elect to not consent to the searches, you will be denied entry to the stadium. Every guest must pass through a security checkpoint. No re-entries are permitted. All gates at Soldier Field are ADA accessible.

Kids Club The Chicago Bears Kids Club, brought to you by Jewel-Osco, is dedicated to youth Bears fans ages 3-12. Lost & Found During the game lost and found is located at the Gate 1 Guest Services office; after the game, all lost items found will be taken to the Soldier Field management office at Gate 14. The item will be held by stadium management for 30 days before being discarded. To claim your item, please call 312.235.7000.

Lost Children & Missing Persons Lost children and missing persons will be escorted to the Gate 1 Guest Services office. A youth officer will be present to handle the report of a lost child and assist with locating their parent or guardian. ID wrist bands for children are available at all Fan Services booths.
