Dear Ms. Greenhalgh:

Thank you for your December 12, 2022, letter to Director Christopher Wray, requesting an investigation into the alleged multi-state plot to unlawfully access, copy, and share voting system software directed and funded by Ms. Sidney Powell and other attorneys associated with the Trump Campaign. We appreciate hearing your concerns on this issue. The Federal Bureau of Investigation (FBI) referred your letter to our Criminal Investigative Division (CID), Public Corruption and Civil Rights Section (PCCRS), for review and we are pleased to respond.

Though the FBI may provide investigative support to state and local authorities, a formal request for assistance must be made by the investigating authority. Should the local authorities make such a request, the FBI will assist as deemed appropriate.

If you have additional information you would like to provide, you may contact the FBI's Atlanta Field Office, located at 3000 Flowers Road South Atlanta, GA 30341, telephone number (770) 216-3000.

I appreciate you bringing this matter to our attention, and I hope this information will be helpful to you.

Sincerely,
