

Pocket Pisser

Trace shape on plastic and cut out.
Edges may be sharp, but they
smooth out with a little use.
If necessary, adjust to better suit you.

To use:
Either fold in half like a taco
or roll into a tube.
Press pointy bit firmly against your body,
behind all your bits, against your perineum.

You're in business!

Practise in private first!

Works through a fly - no need to unbuckle!

Works at a urinal!

Fits in your pocket!

Works with a packer!

For best results, use plastic from the
Decor 1L sauce bottle.

One bottle makes two pissers.

Available from Spotlight and many
supermarkets.
