HOW ARE VACCINES COVERED?

For members who are in Keystone HMO or Personal Choice PPO, both the **Covid** and the **RSV** vaccine are covered in the doctors office or pharmacy using your medical card. Also covered by your medical card is the Flu shot.

BeneCard prescription card will cover the following at **any** network pharmacy:

- Shingles vaccine for those over 50 years old
- Tdap vaccine for those over 65 years old
- RSV vaccine for those over 65 years old
- Covid vaccine for those over 65 years old

For those Retirees in Medigap, Medicare will pay for the Flu shot.

All of these vaccines do not have a copay!
