

Instructions for Short Form PA

For works in the performing arts (except audiovisual works)

USE THIS FORM IF—

1. You are the only author and copyright owner of this work, and
2. The work was not made for hire, and
3. The work is completely new (does not contain a substantial amount of material that has been previously published or registered or is in the public domain) and is not an audiovisual work.

If any of the above does not apply, you may register online at www.copyright.gov or use Form PA.

NOTE: Short Form PA is not appropriate for an anonymous author who does not wish to reveal his or her identity and may not be used for audiovisual works, including motion pictures.

HOW TO COMPLETE SHORT FORM PA

- Type or print in black ink.
- Be clear and legible.
- Give only the information requested.

NOTE: You may use a continuation sheet (Form ___/CON) to list individual titles in a collection. Complete Space A and list the individual titles under Space C on the back page. Space B is not applicable to short forms.

1 Title of This Work

You must give a title. If there is no title, state “UNTITLED.” Alternative title: If the work is known by two titles, you also may give the second title. Or if the work has been published as part of a larger work, give the title of that larger work, in addition to the title of the contribution.

If you are registering an unpublished collection, give the collection title you want to appear in our records (for example: “Songs by Alice, Volume 1”). Be sure to keep a personal record of the songs you have included in the collection. If you want the certificate of registration to list the individual titles as well as the collection title, use a continuation sheet (Form ___/CON).

2 Name and Address of Author and Owner of the Copyright

Give your name and mailing address. You may include your pseudonym followed by “pseud.” Also, give the nation of which you are a citizen or where you have your domicile (i.e., permanent residence).

Give daytime phone and fax numbers and email address, if available.

3 Year of Creation

Give the latest year in which you completed the work you are registering at this time. A work is “created” when it is written down, recorded, or otherwise “fixed” in a tangible form.

5 Type of Authorship in This Work
