

# ‘How to Guide’ for adding pictures to the Sail for Gold flickr Site

---

1. If you haven't got a Flickr account visit [www.flickr.com](http://www.flickr.com) and sign up by creating a Yahoo account. You can also sign up using a Facebook or Google account.
2. Once signed up and logged in upload your photos to your new account.
3. Click upload and follow the 3 easy steps to upload your photos and don't forget to include your club/centre name in the title or description.

4. Then visit one of our **Sail for Gold** flickr groups...

And then add your photos to the relevant group.

We will then select some of your photos to appear on our Sail for Gold photo gallery.

**Photos of children** - if your photos include children then you must have the permission of the child's parent before uploading your photo onto Flickr or Facebook. Please make sure they have signed a consent form from the parent. You can find further information about child protection on our website.
