

RYA RACE OFFICIALS DATA PROTECTION CONSENT FORM

To help clubs, classes and event organisers locate a race official when they need one, and to help competitors seek advice on the racing rules, the RYA would like to publish contact details for qualified race officials on the RYA website.

We would be grateful if you would give this consent by ticking the relevant box at the foot of this form. Alternatively, if you do not give consent, would you please tick the box signifying withholding of consent.

Would you please also sign and date the form and return it to us by post.

Although you may already have provided the contact details shown, it would be helpful if you would do so again (whether or not you give consent to posting the details on the website) as this is an opportunity to make sure our information about race officials is up to date.

We would be grateful if you would let us know if in future any of these contact details change.

We hope you agree that this system is a reasonable balance between respecting your privacy and providing people in our sport who may need your services with an efficient way of knowing where they can find you.

You may, of course, change your mind about this consent at any time, in which case please let us know by contacting
