PROTEST - DECISION

PROTEST No. 8

Event: 1-Person Keelboat (2.4mR)	Race: 2
Protestor: FRA	Protestee:
Protest Details: Request to re-open case 3	
Facts found: FRA requested the Jury to view a video taken by the physiotherapist in the French coach boat regarding a start line incident between FRA and CAN. At the end of the race, FRA went to his coach and was towed in. They subsequently discovered CAN was protesting them. FRA decided then also to submit a protest form. The hearing was held 45 minutes later. No attempt was made to find or view the video before the hearing, and no request was made to extend the protest hearing time in order to view the video.	
Conclusion: FRA was aware of the video at the time of lodging a protest and at the time of the hearing, but they chose not to mention it. This evidence therefore does not meet the requirements of RRS66.
