

Imray Correction Notice

25 July 2012

IC2000.7-1

Chart 2000+7 WGS 84

Edition Aug 2011

Date of printing Aug 2011

The following corrections should be noted:

1 **Bradwell Power Station**

Works to remove the Baffle Wall near the entrance of Bradwell Creek (centred on 51°44'·73N 0°53'·45E) are underway. Completion is due in February 2012. (ILNW 369/11)

2 **Brightlingsea (Plan B)**

Insert Lt Fl(2+1)G.15s in 51°48'·24N 1°01'·34E.

This Lt marks the end of a new pontoon running southeast at a length of approx. 75 metres. (ILNW 288/12)
