Meet the sailor...

Greatest strength you bring to the academy? Fleet racing experience.

Most influential person in your sailing career to date? Has to be my Dad.

What do you hope to achieve from joining the Keelboat Academy? Get good at sailing keelboats, and start winning with them.

If you could compete in any Keelboat event what event would it be and why? The Medcup, it's pretty much the pinnacle of one design fleet keelboat racing.

My worst moment (sailing)? Going to the wrong mark at a topper traveller after leading the race by quite a good gap. Twice.

Best sailing venue in the UK? Weymouth bay

What's your greatest fear or phobia? Spiders

Who is your hero and why? Russell Couttes, hes one of the best sailors that the sport has ever seen, and a really great guy, a few years ago he gave me a tour of the tp52 he was sailing in the Medcup when we went to watch the racing.
