

# Continuing Education for International Judges

The International Judges Subcommittee has prepared a listing of materials of interest to International Judges for self-study and continuing education. These materials have been prepared by a variety of Member National Authorities and individuals who have a vital interest in the Racing Rules of Sailing and on the activities involved in judging.

The materials are maintained, along with their links by the Member National Authorities or the authors. If you find a broken link, please report it to the author.

Lists of books and hard copy reference materials follow.

If you know of other resources to add to the list, please contact us at
