

Why

should I use Peters & May?

- ▶ Whether you are responsible for moving numerous boats a year, a single super yacht or a much-loved vessel you want the best when it comes to shipping her.

We believe that means using an experienced global marine transportation company... and that means using Peters & May.

GLOBAL BOAT TRANSPORT

because we offer...

- ▶ multiple independent **shipping options** when quoting

▶ the strongest and most substantial **cradles** in the industry

▶ bespoke **boat covers**

- ▶ **local contacts** means no time delays to deal with

- ▶ **online** management system

- ▶ 30 years experience, shipping **5,000** boats a year

- ▶ proven **track record** trusted by manufacturers around the world

- ▶ **global** network of offices with dedicated marine staff

- ▶ we use clean, well maintained **slings**

- ▶ we ship all types and sizes of **marine cargo** from spares to yachts

- ▶ the most experienced **boatloaders** in the industry

- ▶ **GPS** tracking

- ▶ in-house **customs clearance** and **VAT** advice

- ▶ **reduced excess** option on marine cargo insurance

- ▶ **consolidation** service in P&M bonded warehouse

- ▶ **pictures & surveys** provided of loading and discharge

- ▶ we use **gel coat protectors** to minimise the risk of paintwork damage

- ▶ fully **accredited** ISO 9001, BIFA, IATA, FIATA

“ *I have used Peters & May for many years for the freight forwarding of our boats and spare parts and I have always found them very professional. A great company to do business with.* ”
