

Title: Shark Class Recognised Status Application

Application for ISAF Recognised Status for the Shark Class

A submission from the International Shark Class Association

Proposal

To adopt the Shark Class as an ISAF class.

Current Position

The Class is currently has a status as an ISAF Classic Yacht.

Reason

We understand ISAF is terminating the Classic Yacht Status. We also understand the International Shark Class Association (ISCA) has this opportunity to transfer our status from Classic Yacht Status to Recognised Status. It is our intention to make the necessary changes to our Constitution, Rules and Specifications to permit this change to happen.
