

## INTERNATIONAL SAILING FEDERATION 2012

### Statistics 2012

Anti-Doping Norway signed an agreement with ISAF for the period 1.January 2012 until 31. December 2012, to plan and carry out the ISAF testing program.

The testing during 2012 have been focusing on out-of-competition, and pre-competition testing in the period prior to the Olympic Games 2012.

All together 40 athletes have been tested.  
OOC urine samples have been collected and analysed for all athletes. In addition 5 samples were analysed for EPO, and 5 samples analysed for hGH
