

A WORD FROM

Zollie

I am grateful for your ongoing support of U.S. Missions and our missionaries, chaplains, and project volunteers. Your prayers and your gifts are crucial to building God's kingdom. I pray God's abundant blessings will be poured out on your life because of your faithfulness to this work.

Intercultural Ministries is our prayer focus for March. The men and women who serve in this Window minister to the ethnic, cultural, and needs groups of our nation. Whether immigrant or refugee, part of the Deaf community, or a recent rescue from human trafficking, our Intercultural missionaries are daily ministering to the lost and broken in American cities.

I'd like to tell you about Rick and Patti, Intercultural missionaries to the Albanian communities in Pennsylvania. Rick and Patti served in the country of Albania for several years before God called them to come back to the United States and minister to the Albanian community here. The country of Albania had five hundred years of Islamic rule followed by fifty years of Communism. Albanians know very little about God and even less about Jesus.

Rick and Patti spend their days building relationships within the community, teaching them English, and helping them understand American culture. Through these relationships, many are coming to Christ.

Partner with me this month to pray for the Intercultural ministries that are bringing the gospel to these diverse groups across our nation.

Pray for CO/Go! Missionaries

Please join us as we pray for the spring class of **missionary candidates**. These men and women will spend the next few months sharing God's call with churches and individuals to raise their budgets so they can go on the field full time.

Pray for the **commissioned missionaries** as they begin their appointment as U.S. missionaries. Pray for the communities they will minister in. May God grant them much favor as they work for the Kingdom.

March Save the Date

- [8] Praise Assembly of God
Newark, Delaware
(Zollie Smith speaking)
- [17] St. Patrick's Day
- [21-27] CO/Go! Conference
Springfield, Missouri
- [26] AGUSM Board Meeting
Springfield, Missouri
