## ESSENTIAL INFORMATION REQUIRED:

As a Team15 PRO (Press Relations Officer) we need your help to report on all the action as it happens from the 2012 series events.

Not only will this information make sure that your team features in the news this year, but it will really help us to tell other people exactly what is great about Team15 and windsurfing.

Please answer the questions below with as much information as possible. Ideally we would like you to complete your form electronically and email to the RYA press team by the Monday evening following your event.

Please feel free to make notes on this printed version but to make this process as easy as possible for the media team, please:

1. Download an electronic version of this form – go to [www.team15.org.uk](http://www.team15.org.uk), then go to 'Zone Events', then 'All Zones'
