

APPENDIX 5 – BETTING AND ANTI-CORRUPTION

Updated With Changes Approved by Council May 2013

1. INTRODUCTION

- 1.1 The integrity of sport depends on the outcome of sporting events and competitions being based entirely on the competing merits of the Participants involved. Any form of corruption that might undermine public confidence in the integrity of a sporting contest is fundamentally contrary to the spirit of sport and must be eradicated at all costs.
- 1.2 The International Sailing Federation has adopted these rules ("Rules") as a means of safeguarding the integrity of the sport of Sailing by (i) prohibiting any conduct that may impact improperly on the outcome of its events and competitions and (ii) establishing a mechanism of enforcement and sanction for those who, through their corrupt conduct, place the integrity of the sport at risk.
- 1.3 The International Sailing Federation is committed to taking all practical steps within its power to prevent corrupt practices undermining the integrity of the sport of sailing. This commitment shall include:
 - (a) raising awareness of these Rules at all levels, including using existing and/or suitably adapted educational programmes and tools to provide information and educational materials to the widest possible target audience;
 - (b) establishing the best means of monitoring sports betting at International Competitions, including monitoring any irregular betting patterns that may occur;
 - (c) establishing the best means for the receipt of third party information on a confidential basis, for example, by establishing an information 'hot-line';
 - (d) establishing and, where appropriate, making use of effective channels for the exchange of intelligence and information related to the investigation and/or prosecution of Violations under these Rules;
 - (e) co-operating with competent national and international authorities where information in its possession may also amount to or evidence infringements of other applicable laws or regulations; and
 - (f) exchanging information with partners in the Olympic Movement (through ASOIF or otherwise) on acknowledged areas of best practice in relation to combatting corruption in sport.

2. APPLICATION AND SCOPE

- 2.1 These Rules shall apply to all Participants who participate or assist in an International Competition and each Participant shall be automatically bound by, and be required to comply with, these Rules by virtue of such participation or assistance.
- 2.2 It shall be the personal responsibility of every Participant to make himself aware of these Rules including, without limitation, what conduct constitutes a Violation of the Rules and to comply with those requirements. Participants should also be aware that conduct prohibited under these Rules may also constitute a criminal offence and/or a breach of other applicable laws and regulations. Participants must comply with all applicable laws and regulations at all times.

- 2.3 Each Participant submits to the exclusive jurisdiction of any Hearing Panel convened under these Rules to hear and determine charges brought by ISAF.
- 2.4 Each Participant shall be bound by these Rules until a date 6 months following his last participation or assistance in a Competition. Each Participant shall continue to be bound by these Rules in respect of his participation or assistance in Competitions taking place prior to that date.
- 2.5 It is recommended that National Federations put in place similar rules and regulations to safeguard the integrity of competitions held under their respective jurisdictions.
- 2.6 Notice under these Rules to a Participant who is under the jurisdiction of a National Federation may be accomplished by delivery of the notice to the National Federation concerned. The National Federation shall be responsible for making immediate contact with the Participant to whom the notice is applicable.

3. RULE VIOLATIONS

3.5 Other Violations

- (a) Any attempt by a Participant, or any agreement by a Participant with any other person, to engage in conduct that would culminate in the commission of any Violation of this Rule 3 shall be treated as if a Violation had been committed, whether or not such attempt or agreement in fact resulted in such Violation. However, there shall be no Violation under this Rule 3 where the Participant renounces his attempt or agreement prior to it being discovered by a third party not involved in the attempt or agreement.
- (b) Knowingly assisting, covering up or otherwise being complicit in any acts or omissions of the type described in Rule 3 committed by a Participant.

- (e) Failing to cooperate with any reasonable investigation carried out by the International Sailing Federation or other competent authority in relation to a possible breach of these Rules, including failing to provide any information and/or documentation requested by the International Sailing Federation or competent competition authority that may be relevant to the investigation.

4. BURDEN AND STANDARD OF PROOF

- 4.1 The International Sailing Federation or other prosecuting authority shall have the burden of proving that a Violation has occurred under these Rules. The standard of proof shall be whether the International Sailing Federation or other prosecuting authority has proved a Violation to the comfortable satisfaction of the Hearing Panel, a standard which is greater than the mere balance of probability but less than proof beyond a reasonable doubt.
- 4.2 Where these Rules place the burden of proof on the Participant alleged to have committed a Violation to prove facts or circumstances, the standard of proof shall be by a preponderance of the evidence.
- 4.3 The Hearing Panel shall not be bound by judicial rules governing the admissibility of evidence and facts may be established by any reliable means, including but not limited to, admissions, evidence of third parties, witness statements, expert reports, documentary evidence and other analytical information.
- 4.4 The Hearing Panel shall have discretion to accept any facts established by a decision of a court or professional disciplinary tribunal of any competent jurisdiction which is not subject to a pending appeal as irrefutable evidence against the Participant to whom the decision relates unless the Participant establishes that the decision violated the principles of natural justice.
- 4.5 The Hearing Panel shall be entitled to draw an inference adverse against any Participant who is accused of committing a Violation if that Participant fails to appear in front of the Hearing Panel if requested to do so a reasonable time in advance of the hearing, or fails to comply with any information request that has been submitted in accordance with these Rules.

5. INVESTIGATING A BREACH

- 5.1 Any allegation or suspicion of a Violation of these Rules shall be reported to the International Sailing Federation for investigation and possible charge in accordance with this Rule 5
- 5.2 The International Sailing Federation may conduct an investigation into the activities of any Participant that it believes may have committed a Violation of these Rules and may appoint one or more Persons for this purpose. Such investigation may be conducted in conjunction with relevant competent national or international authorities (including criminal, administrative, professional and/or judicial authorities) and all Participants must co-operate fully with such investigations. The International Sailing Federation shall have discretion, where it deems it appropriate, to stay its own

investigation pending the outcome of investigations conducted by other competent authorities.

- 5.3 As part of any such investigation, if the International Sailing Federation reasonably suspects that a Participant has committed a Violation of these Rules, it may make a written demand to such Participant for information that is related to the alleged Violation and/or require the attendance of such Participant for interview, or a combination of the two. Any interview shall be at a time and place to be determined by the International Sailing Federation and the relevant Participant shall be given reasonable notice in writing of the requirement to attend. Interviews shall be recorded and the Participant shall be entitled to have legal counsel and an interpreter present.
- 5.4 By participation in a Competition, each Participant shall be deemed to have agreed for the purposes of applicable data protection laws and other laws, and for all other purposes, to have consented to the collection, processing, disclosure or any other use of information relating to his activities (including without limitation personal information) to the extent permitted under these Rules and shall confirm such agreement in writing upon demand.

6. ISSUING A NOTICE OF CHARGE

- 6.1 Where following an investigation the International Sailing Federation determines that there is a case for the Participant to answer under Rule 3, the International Sailing Federation shall issue the Participant with a written Notice of Charge setting out the following:
- (a) The specific Violation(s) that the Participant is alleged to have committed;
 - (b) The facts upon which such allegation(s) are based;
 - (c) The range of sanctions applicable under the Rules for such Violations;
 - (d) Details relating to the Participant's response to the Notice of Charge within a specified deadline; and
 - (e) The Participant's right to have the matter determined by a hearing.
- 6.2 The Notice of Charge shall also specify that, if the Participant wishes to exercise his right to a hearing, he must submit a written request for a hearing so that it is received by the International Sailing Federation as soon as possible but in any event within 14 days of receipt of the Notice of Charge. The request must state how the Participant responds to the charge and must explain (in summary form) the basis for such response.
- 6.3 If the Participant fails to file a written request for a hearing by the specified deadline, he shall be deemed to have:
- (a) waived his right to a hearing;
 - (b) admitted that he has committed the Violation(s) specified in the Notice of Charge; and
 - (c) acceded to the range of applicable sanctions specified in the Notice of Charge.
- 6.4 Where the Participant requests a hearing in accordance with Rule 6.2 the matter shall proceed to a hearing in accordance with Rule 7. Where the Participant is deemed to

have waived his right to a hearing and to have admitted the Violation(s) in accordance with Rule 6.3, any hearing held at the International Sailing Federation's discretion shall be limited to determining the applicable sanctions only.

- 6.5 In any case where the International Sailing Federation decides to charge a Participant with a violation under these Rules, he shall have discretion, in circumstances where he considers that the integrity of the sport could otherwise be seriously undermined, to provisionally suspend the Participant pending the relevant tribunal's determination of whether he has committed a Violation. A provisional suspension shall be effective from the date of notification to the Participant in accordance with these Rules. Alternatively, the Participant may accept a voluntary suspension from competition provided that it is confirmed in writing to the International Sailing Federation. A voluntary suspension shall be effective only from the date of receipt of the Participant's written confirmation of such to the International Sailing Federation.
- 6.6 A decision to impose a provisional suspension on a Participant shall not be subject to appeal.
- 6.7 If a Participant retires whilst a disciplinary procedure under these Rules is underway, the International Sailing Federation shall retain jurisdiction to complete the relevant procedure. If the Participant retires before any disciplinary procedure has begun, the International Sailing Federation shall nevertheless have jurisdiction to conduct the relevant procedure.

7. RIGHT TO A FAIR HEARING

- 7.1 Where the International Federation alleges that a Participant has committed a Violation of these Rules and the Participant denies the allegation and/or disputes the sanctions to be imposed for such Violation, then the matter shall be referred to a hearing before the Hearing Panel.
- 7.2 The Hearing Panel shall be the Disciplinary Commission acting in accordance with its established procedures.
- 7.3 The hearing process shall respect the following principles: a timely hearing, a fair and impartial Hearing Panel, the right to be represented by counsel (at the Participant's expense), the right to respond to the asserted anti-corruption rule violation and range of resulting sanction; the right of each party to present evidence, including the right to call and question witnesses (subject to the Hearing Panel's discretion to accept evidence by telephone or written submission), the Participant's right to an interpreter at the hearing (with the Hearing Panel to determine the identity and responsibility for the cost of the interpreter) and a timely, written reasoned decision specifically including an explanation of the reason(s) for the sanction imposed.
- 7.4 Once the parties have made their submissions, the Hearing Panel shall determine whether a Violation has been committed. Where the Hearing Panel determines that a Violation has been committed and these Rules specify a range of possible sanctions for such Violation, the Hearing Panel shall also fix the appropriate sanction within that range after considering any submissions on the subject that the parties may wish to make.
- 7.5 The Hearing Panel shall issue a decision in writing, with reasons, as soon as possible after the conclusion of the hearing. The decision will set out and explain:
 - (a) the Hearing Panel's findings as to whether any Violation has been committed;

The Hearing Panel may at its sole discretion reduce the period of ineligibility imposed by any period of provisional suspension already served by the Participant prior to the decision being reached.
- (d) No Participant shall participate in any capacity in any Event or Competition during his period of ineligibility as imposed by the Hearing Panel [save that, if directly invited by the International Federation, an ineligible Participant may attend an Event in an educational capacity as part of anti-corruption program organised by the International Federation].

- (b) If a Participant who is a crewmember of a boat, having a crew of more than three crewmembers on board, is found to have committed a violation of these Rules during an Event, the boat may be subject to such disciplinary action by the Hearing Panel as it deems appropriate, provided that the boat shall not be subject to any disqualifications or any other form of competitive penalty in such Event, unless there have been breaches of these Rules by more than one crewmember during such Event and the Hearing Panel is satisfied there has been a resulting material advantage to such boat in breach of Rules, or such breaches have been organized or condoned by other Participants being crewmembers of the boat or those charged with managing the boat and/or its crewmembers.
