

Joint Rule 69 Working Party

Regulation 5.5.1(c)

A joint submission from the Chairmen of the Constitution Committee, Race Officials Committee and Racing Rules Committee

Purpose or Objective

To establish a joint working party to review RRS 69 and related judicial matters and its application.

Proposal

To approve the appointment of a joint working party of the Racing Rules, Race Officials and Constitution Committee in accordance with Regulation 5.5.1(c) to review RRS 69 and issues relating to its application

Current Position

A working party was established, pursuant to Regulation 5.5.1(b), by the Racing Rules Committee in early 2013 to review RRS 69 and its application. The working party members are John Doerr (GBR - Vice Chairman, Racing Rules Committee), Jan Stage (DEN – Chairman, Race Officials Committee), David Tillett (AUS – Member, Constitution Committee) and Lance Burger (RSA – Member, Racing Rules Committee).

Reason

The current RRC working party, having started their work, recognise that matters relating to RRS 69 and its application have significant impact on the ISAF Regulations (how ISAF manages reports under RRS 69, for example) and how race officials apply RRS 69 consistently at regattas. These issues are beyond the scope and terms of reference of RRC alone and consequently a joint working party is appropriate.
