Schedule of The Crown Estate's properties rights and interests July 2013

This schedule details The Crown Estate's properties by reference to the four main estates (urban, rural, Windsor and marine). It draws a distinction between property which is ancient possession or a modern acquisition. Rights and interests are detailed in section 5 (*Other Rights and Interests*).

For the sake of conciseness, this schedule includes only properties with areas greater than 1,000m² (for developed properties within the urban estate) and greater than 10ha (for undeveloped and/or non-income generating urban land, the rural, Windsor and marine estates).
