

WHITE★STAR

TAVERN, DINING & ROOMS

Welcome

Welcome to The White Star Tavern, Dining and Rooms. We are an award-winning bar, restaurant and boutique guest accommodation set in the heart of Southampton's cosmopolitan Oxford Street district, renowned for its high quality restaurants and outstanding culinary diversity.

Named after the famous White Star Line, the prominent British shipping company renowned for its illustrious liners which sailed from Southampton, our historic building has been central to the City's maritime history for over a hundred years.

Today, the building still retains a unique charm and elegance and is home to a fashionable bar and restaurant. The White Star has recently enjoyed a return to its former use as a hotel, recognised by the AA with 4 stars for our luxury guest accommodation.

We're open for breakfast, lunch and dinner every day and our seasonal menu makes superb use of great local ingredients which help to create an exciting selection of modern British classics.

The White Star has been singled out for recognition by the AA and awarded a much coveted rosette that recognises 'excellent restaurants that stand out in their local area'.

It's no wonder then that our bar and restaurant is such a popular venue for our regular guests who can choose to eat in our relaxed bar area or in the sanctuary of our restaurant. In the warmer months, you'll find many dining al fresco, soaking up Oxford Street's vibrant atmosphere.
