3. The clinic is open to attendees from the national authority that is hosting the clinic and from other nations.
4. The clinic language will normally be English. When deemed practicable this would be combined with the local language.
5. The maximum number of attendees is 24.
6. There should be no more than 8 umpire delegates.
7. The clinic does not provide the opportunity to sit any written test and is not designed to prepare attendees for application for International Umpire status.

The ISAF shall:
