## Welcome

Welcome to the 2014 sailing season at NBYC; we have an exciting line up for you, both on and off the water.

We're very much looking forward to the introduction of our Friendly Friday sessions (more details on page 7) and we have introduced two extra races on Saturday afternoon to help members who wish to develop their racing skills. Finally, we have also included some additional class weekends during June.

See you on the water!
