

Consultation by VOSA on fees

VOSA have launched a consultation on proposals for changes to fees in Great Britain for statutory periodic and certain other tests and operator licensing for HGVs (heavy goods vehicles) and PSVs (public service vehicles e.g. buses and coaches used for hire or reward); and charges for voluntary checks.

How is this relevant to Northern Ireland?

The consultation also includes a proposal on fees for Reduced Pollution Certificate, inspection Approval and certification of various vehicles, and Identity checks on written-off cars seeking re-licensing carried out by the Driver and Vehicle Agency in Northern Ireland.
