What our Friends mean to us

Lord Nelson and Tenacious are the only two Class A tall ships in the world which are purpose built to enable people of all physical abilities to take an active role in sailing.

“A life changing experience, I've learnt new skills, made some great new friends, and was inspired by the people I met on board. A fantastic adventure!”

Laura, Voyage Crew 2009

Last year our Friends funded many nights at sea, people like Chris are truly grateful for your support.

“I HAVE NEVER FELT SO ALIVE... There are so many people who could benefit from the JST experience that it's vital to support it and see it prosper way into the future.”

Chris, Voyage Crew 2008

Please support us and become a Friend...

Becoming a Friend

If you or family members have had a wonderful experience on board Lord Nelson or Tenacious why not become their Friend? Becoming a Friend of Lord Nelson, Tenacious or the JST allows you to stay in touch with events, our work and details of new voyages. At the same time your help will enable us to support someone else and make sure they have the experience of a lifetime. There is no long-term commitment, each year you can decide whether to continue your support or not.

Our Friends look forward to:

- Regular updates that keep them informed of news from Lord Nelson, Tenacious and the work of the JST
- Advance notification of the new voyage programme
- Invitations to exclusive JST events
- Discounts from specially selected JST partners
- Friends card

Lifelong Friends Scheme

You may choose to become a Lifelong Friend. For a one-off donation of at least £1,000 you will receive the benefits of being a Friend for the whole of your life. In addition, if you become a Lifelong Friend you will receive an exclusive polo shirt and you will be invited to a private reception each year. Your donation means we can continue supporting our ships and the people who sail them.
