

JUBILEE SAILING TRUST

Tall Ship Sailing Adventures

The Norton Rose Fulbright Sail the World Challenge

The Jubilee Sailing Trust's 55m tall ship Lord Nelson, which was purpose-built to be sailed by physically disabled and able-bodied people, is sailing around the world. This is the first time that an accessible tall ship has undertaken such a journey.

The Norton Rose Fulbright Sail the World Challenge will visit more than 30 countries in all 7 continents, cross the Equator 4 times and cover 50,000 miles in a series of stages. Help make history by joining part of an unprecedented world voyage.

Choose from coastal voyages of 7 to 12 days or ocean passages of up to 60 days. Take the helm, set the sails and keep watch; you can be involved in almost every activity aboard regardless of your physical ability or previous sailing experience. The minimum age is 16 and there is no upper age restriction.
