

# PYC YOUTH SURVEY 2013

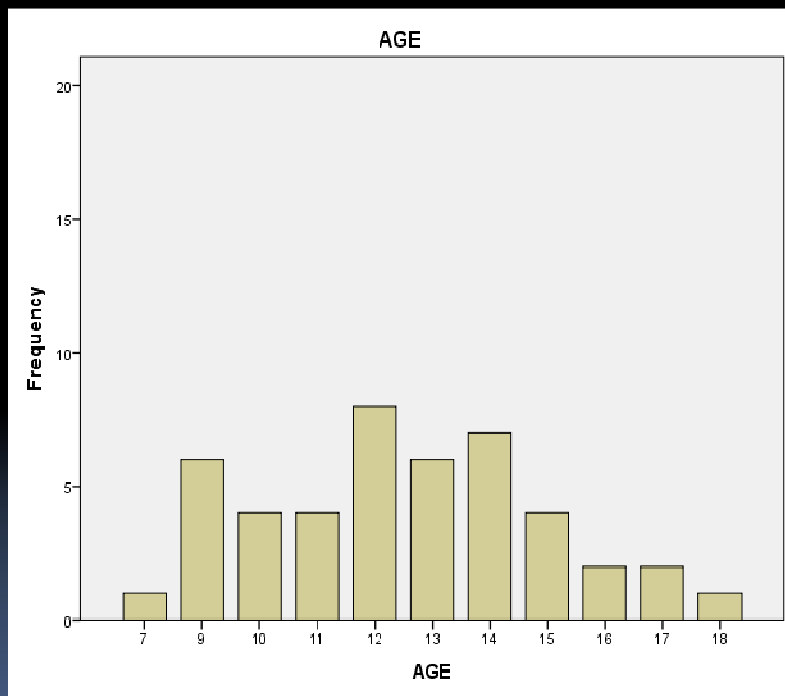

This is the second time we have run the PYC Youth Survey. The first one was in 2010. These slides present a side by side comparison.

In 2010 the survey was handed out to youth, we had 47 completed surveys returned. This year we wanted to get a better response rate so we asked our youngsters to complete the survey at Youth Week registration (with help from our Commodore & Treasure!!). We had 121 completed surveys.
