

Try one & you
might just want
to buy one.

What better way to discover just how good a new Linssen steelboat really is than with a self-drive charter for a week or two cruising the beautiful Thames, exclusively available from Hobbs of Henley, the long-established boat hire specialists. Delight your family & friends aboard the luxurious Linssen featuring up to six berths, two heads, two showers, a fully equipped galley, a light & spacious saloon plus a large aft deck with upper helm position, all yours to enjoy to the full !

If you've ever wondered what it would be like to own a superb Linssen Yacht, why not try chartering one? Discover for yourself the wonderful live aboard qualities of the easy-to-handle Grand Sturdy 34.9m MotorYacht.

Best of all, should you later decide to buy any new model in the 30-strong range of Linssen Yachts from the UK dealer, Boat Showrooms, we would refund you the full cost of your charter. Call us now for full details of this offer.*
