

HOW DO I APPLY?

STEP 4

GET YOUR ROOM

Welcome home!

In mid-July, housing assignment notifications will begin rolling out via email in the order of original application date. You'll find out about your hall, room, roommate and check-in information. A Living On Campus Guide will be available online at the start of Summer Orientation.

GET YOUR PICK

Usually, about 50% of people get their first choice for housing. 60% of residents are first-time freshman. In the past few years, every first-time freshman who applied for housing has been offered a room.

See pics, room layouts and more at:
www.utexas.edu/livehere

WE'RE ECO

All rooms have paper, plastic, and aluminum recycling. And the res halls' Bring Your Own Vessel program saves between 70,000-75,000 bottles and cans per year.

PAYMENT

HOW TO MAKE IT OFFICAL

How much does it cost?

Prices vary based on where you live and what room type you have (a single room vs. a double or a connecting bathroom vs. community bath). See current prices for specific halls and rooms online.

Ways to pay.

1. Pay the total amount due for the long session by October 1
2. Pay in two installments—Fall is due October 1 and Spring is due February 1
3. Pay in six installments (additional charge of \$8 each semester)

DUE DATES

Fall

| | |
|--------------------|------------|
| First Installment | October 1 |
| Second Installment | November 1 |
| Third Installment | December 1 |

Spring

| | |
|--------------------|------------|
| First Installment | February 1 |
| Second Installment | March 1 |
| Third Installment | April 1 |

ABOUT THIS BROCHURE

The University of Texas at Austin Division of Housing and Food Service saved the following resources by using 10,416 pounds of Reincarnation Matte (FSC), made with 100% recycled fiber and 60% post-consumer waste, processed chlorine free, designated Ancient Forest Friendly™ and manufactured with electricity that is offset with Green-e® certified renewable energy certificates:

67 fully grown trees

30,850 gallons of water

21,000,000 BTUs of energy

1,873 pounds of solid waste

6,405 pounds of greenhouse gases

Calculations based on research by Environmental Defense Fund and other members of the Paper Task Force.
