Dear Mr Roberts,

Vattenfall Wind Power Ltd – Proposed Kentish Flats Extension offshore wind farm, Application Reference EN010036

Application for Kentish Flats Wind Farm Extension – Planning Act 2008 and the Infrastructure Planning (Examination Procedure) Rules 2010:

- **Examining Authority's Requests for Further Information and Written Comments under Rule 17**

Thank you for your letter of 24th April 2012. With regard to question R17-13, London Array Limited can confirm that it does not seek to challenge the sufficiency or adequacy of the submitted information supporting the KFE Habitats Regulations assessment, including that supporting the in-combination effects assessment.

Please contact London Array Ltd if you require clarity or any further details.

Yours sincerely,

London Array Limited
