RYA MARK LAYER REFERENCE FORM

As a referee you must be a qualified RYA or ISAF race official and have witnessed first hand the candidate's performance at the event for which you are giving a reference.

Please complete this form and either send in a sealed envelope marked 'Private and Confidential' to the RYA Race Officials Administrator or email it to Jacqui.Roberts@rya.org.uk. Candidates are entitled to a copy of the form which they may request from you or the RYA.

For each category mark either "Not Acceptable", "Acceptable RML", "Acceptable NML" or "Don't Know".
Not Acceptable: You have evidence that the candidate does not meet the criteria referred to.
RML / NML Standard   It is your opinion that the candidate meets the required standard referred to.
Don't know   You have insufficient evidence to form a considered judgement.
There is space for comment in each category. You do not need to include comments, but it is useful for the RYA's Race Management Committee (RMC) to know particular strengths or areas in which the candidate would most benefit from improvement.
