

Introducing the range of SL 'superlite' tenders

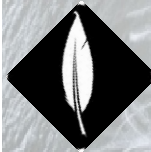

The lightest range of tenders available on the market!

Developed using an innovative lightweight fabric, maintaining high level build quality and practicality.

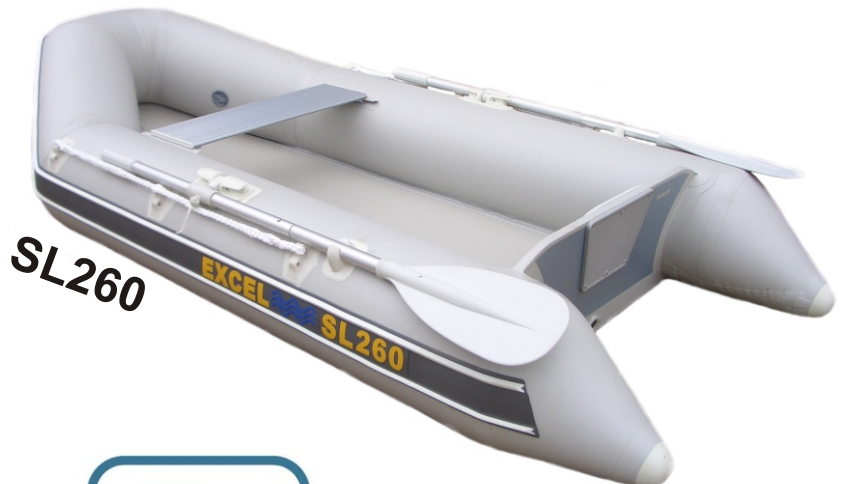

Compact design now means easier transport and storage - can be folded into a backpack!

Can easily be lifted aboard one handed! All crew members can manage.

SL200 - 14KG!
SL230 - 17KG!
SL260 - 19KG!
