### **What is a cookie?**

---

Cookies are text files containing small amounts of information which are downloaded to your computer or mobile device when you visit a website. Cookies are then sent back to the originating website on each subsequent visit, or to another website that recognises that cookie. Cookies are useful because they allow a website to recognise a user's device.

Cookies do lots of different jobs, like letting you navigate between pages efficiently, remembering your preferences, and generally improving the user experience. They can also help to ensure that adverts you see online are more relevant to you and your interests.

Our website uses cookies so that we can remember you and understand how you and other visitors use our website. To see a complete list of these cookies and to find out how you can tell us whether you want us to use them on your device or not, please access our **Cookies Policy**.
