

Pevensy Bay Sailing Club

**AQUILA  
MID-SUMMER 2014**

## SEAWEEK 2014

Welcome to Seaweeek 2014, I know this is something most of us have been looking forward to for a whole year, well since the end of last Seaweeek! Obviously for the week to run smoothly, as we are all volunteers it is important we all work together and have some clear rules so that we can all have FUN.

**How the week runs:** On water activities in the mornings focus on the children and 'young at heart' all doing FUN group activities together. The afternoons are, on the whole, unstructured and give the opportunity for free sailing, there are some activities planned for adult sailors such as the Match Racing and Topper Race Series. The evenings include many social activities for the whole family, however we do ask that all children are away from the bar area by 10:30pm so that the adults can have a short relaxing time before bed.

Planned activities are subject to change due to weather and sea state, whatever happens there will be something for everyone.

	Morning	Afternoon	Evening
Monday	Topper wars	Free Sailing	Bingo
Tuesday	Topper football	Free Sailing & Match Racing	Talent Show
Wednesday	Pirates of the Caribbean	Free Sailing	Karaoke
Thursday	Cruise to Airbourne	Free Sailing	Quiz night
Friday	Cruise to Cooden and Ronnie	Free Sailing	Games

### Rules:

1. Seaweeek is strictly members only
2. No children under 18 to attend Seaweeek without adult supervision, you can nominate a responsible adult but they must be aware of that responsibility.
3. We are a licensed premises, therefore as usual, no alcohol will be sold to anyone under 18 or for the consumption of an under 18.
4. You can provide yourself alcohol to drink outside of the clubhouse, but on the premises, alcohol should be purchased from the bar.
5. We expect parents to monitor children if they are allowing them to drink alcohol under their supervision.
6. The campsite must be quiet at 10pm each night, if you want to carry on partying outside after that time; we have a very extensive beach out front which serves that purpose well.
7. Everyone that attends Seaweeek needs to contribute to the work that makes it such a success; volunteers will be requested each morning for various roles.
8. The Toppers will stay rigged all week, however at the end of the day we expect these to be brought back up the beach and left tidily in front of the clubhouse. This is the main job we expect all our cadets to get involved in.
9. It is a great week so do not forget to have FUN ☺

**Catering:** As you may be aware we no longer have outside caterers, we will however be providing food on mass, by the usual meal deal option, volunteers are urgently needed to reduce the burden of this job and to make it feel more of a fun communal event. All profits, as usual, go to the club. Please see below for details. If you are self-catering the wet bar downstairs will be open as usual for your convenience.

**Camping:** This is a great resource that we have at our disposal, it is important to remember that vehicles must NOT go onto the grass. When parking camper vans and caravans around the edge please do this carefully so that we can fit everyone in.

**RECOMMENDED DONATION FOR SEAWEEK IS £50 PER FAMILY**

This helps towards extra running costs, & wear and tear on the boats. Thank you.

# SEAWEEK 2014

There will be a galley service during Seaweeek and we will be offering the usual meal deal:

1. **Week ticket**

**Adult £35 Child £18**

2. **Daily ticket**

**Adult £8 Child £5**

3. **Individual prices**

**Breakfast £3.00**

**Afternoon tea £2.00**

**Evening Meal £5.00**

**Please book tickets in advance**

**Text 07771530497**

**Breakfast = 1 each, bacon, sausage, egg with beans and toast and drink  
from Galley**

**Afternoon tea = Cake and drink from Galley**

**Evening meal = *PLENTIFUL home cooked fresh food.***

***See separate menu***

SEAWEEK 2014

## Menu

### Monday

Jacket potatoes  
with a selection of hot and cold fillings

### Tuesday

Pasta: bolognaise, tuna or vegetable  
with garlic bread

### Wednesday

Caribbean barbecue  
with selection of side dishes

### Thursday

Chicken stuffed with mozzarella wrapped in  
bacon with vegetables and chips

### Friday

Curry night!  
Selection of curry's with rice and sides

## SEAWEEK 2014

We are looking for volunteers to help with catering Seaweed, please sign up in advance so that we can plan effectively. You will not be left alone and will not need to do all week. Just chose your day and shift.

Help needed with:

- Breakfast
- Afternoon tea
- Making cake
- Evening meal

If you can help at all please  
text 07771530497

Many thanks for your kind support. Elaine

## Mark Doughty-Keen

Another year has passed, and once again it's time for Sea Week. This is a fantastic time for all those families who participate. For those that haven't been before, and don't know what it's all about:- most camp on the club grounds and there's daytime fun and games, on and off the water, for kids and some grown ups. A trip up to Eastbourne Airbourne in the boats is usually organised. Adults are asked to help organise/join in. In the evenings there are activities such as bingo, karaoke and BBQ to look forward to. The bar is obviously open for those that feel the need. This is a really enjoyable event, so please come and join in. 11-15 August.

For the cadets that want to compete in this years Cadet Cup, this is being run on the Saturdays either side of Sea Week, so come on have a go... You might win!

August also sees the National 12s come to PBSC for their national championships, (23<sup>rd</sup> to 26th). We have a couple of competitors, who I'm sure would appreciate some encouragement, (*definitely! Ed.*), and if you want to see some state of the art boats in a top development class, come have a look. We will need lots of volunteers also to help with the beach, rescue boats, and general running, so if you can help please put your name forward.

Mark

---

## Bar Talk

Hi everyone,

Sea week is almost upon us so the bar is set to be busy as always. We will have a selection of Sea Week 'Caribbean' cocktails along with a couple of 'Mocktails' for the kids. No doubt the dark and stormy night will take place on Wednesday as usual (strictly adults only). Please pack Alka Seltzer with your camping gear! If anyone is able to lend a hand during sea week, please let me know, even an hour of your time would be helpful.

If there are any special requests please email me- [cazzaash@gmail.com](mailto:cazzaash@gmail.com)

An arctic lorry will be delivering a supply of Strongbow and Fosters for the usual suspects

We will have a few bar games lined up this year and also a raffle towards the end of sea week (tickets on sale now- £1 a strip.. do not miss out!).

I am looking for prize donations: bottles of wine, beer, bubbly, spirits, gift sets (smellies), unwanted Xmas/birthday presents, vouchers or other suitable items in new condition. Please give to Carolynn, Elaine, Keith Ashcroft or leave behind the bar with a note.

I look forward to the usual bar loiterers attempting to keep up with the vast array of multi coloured shots!

Carolynn Ashcroft

## **Principal's Prattle.**

**Gary Pearson**

The training season, with both the Tuesday and Thursday evenings, is almost at a close with only a few weeks left. The weather has been kind this season and I believe everyone has enjoyed the sailing and training. Well done to all and a big thank you to the instructors.

Congratulations to Gordon Bishop who has independently secured his RYA Power Boat Training certificate which means the club can benefit from an additional instructor. Well done Gordon and thank you on behalf of the club for taking the initiative.

Power Boat training and certification has become an issue within the club as we have many members (including myself, ... naughty) who do not hold the suitable certificate. This means that our excellent Sailing Secretary has only a small pool of suitably experienced PB helms to call upon on the duties rota. This season is jammed full, and our calendar has no space for training this year. We will have to make time next year for Power Boat training. It is a commitment of 2 days with 8 hours on each day on the water. Those interested, let me know now so we can programme you in early and allocate the correct number of weekends in next year's diary.

Thank you and enjoy the summer at PBSC either on the beach or the water.

Prince.

---

## **Sailing Secretary 's Report**

**Adrian Peckham**

We've been blessed with some lovely warm weather and it's good to see so many people out on the water Tuesday and Thursday evenings, Saturdays and Sundays. On the Sundays we've seen about 15 boats out racing each weekend, although it would be good to see 20 on a regular basis. The two am 45 minute races followed by the one x 1hr pm race format seems popular although I'd appreciate any feedback on timings as we'll orientate to the wishes of the consensus of those who wish to race.

Many members don't see it, but we do provide safety boat cover for some of the larger open meeting events at neighbouring clubs. This year we've provided safety boat support for two weekends at Eastbourne Sovereign's opens (RS 200/800 and Contenders and Cats) and at the Federation Cup for one day. Grateful thanks to those who supported, especially the experienced helms Chris Clarke, Dave Watson and Gordon Bishop.

We remain short of SB helms and OOD's and timekeepers. Whilst there are no more SB courses planned this year, two of the instructors are happy to give some more personal tuition to those who are keen to work towards their RYA Power Boat qualification. In terms of OOD / Timekeeper this is easier than most people expect and I'm happy to show people how to do this by running a 15 minute simulation on the race computer. Email me if you can help with either – [sailingsecretary@pbbc.eu](mailto:sailingsecretary@pbbc.eu).

We are looking forward to welcoming the National 12 dinghy Owners Association over the August bank holiday (Sat 23<sup>rd</sup> –Tuesday 26<sup>th</sup> August) for their annual National Championships. See here: [www.national12.org/burtonweek/2014](http://www.national12.org/burtonweek/2014)

We're expecting 30-40 dinghies and in addition to the racing we'll be providing hospitality over the weekend including all day long galley and bar and evening BBQs. We'll wish to show the usual PBSC welcome and will need help with safety boat crews, beach party, galley and bar. Can you either sign up on the white board in the clubhouse or drop me an email. Even if you can only help for part of a day this would be helpful. As I've said before these events are commercially important to us and materially bring in additional funds allowing the club to continue to do all the things we like to do on and off the water. Many hands will make light work to share the burden here. Additionally if you are 8 to 9 stone (most PBSC committee need not apply!) and fancy crewing, the Owners' Association advises there are a number of helms seeking crews who will not otherwise be able to race. Email me if you would like some excellent crewing tuition that this iconic experience will give.

We've had a pretty good turn out for duties this year, although with the summer holidays in play we're seeing drop outs a few days before the duties take place. To put a positive spin on it, it is good news that members are notifying us rather than not showing up and even more good news that members are responding to the Duty Administrator's pleas via facebook and email and stepping in, so a big thank you for that. Duties listings can be accessed here: <http://www.pbbc.eu/duties/> and you'll also receive an email 14 and 5 days before your duty asking for confirmation on DutyMan. The tireless Duty Administrator Nicky Key ([dutyadministrator@pbbc.eu](mailto:dutyadministrator@pbbc.eu)) will be in touch directly if you have not confirmed on DutyMan. Below you will find the Duty allocations for the next few months, please take time to check through and let Nicky know if there are any problems.

We have the next taster day coming up on the 30<sup>th</sup> August, and the annual Martello Race running between Eastbourne and Bexhill (jointly with ESSC - -SB helms/crew required) on the 6<sup>th</sup> Sept so we're going to keep busy enjoying the sailing during this long glorious summer!

See you on the water!

Adrian
