

PLEASURE NAVIGATION COMMISSION DEROGATION OF RULE T.8.d and T.8.e

Monaco, January 30th - 2014

On permission of the UIM Council issued on the date of October 26th – 2013 in Auckland – New Zealand, the UIM Pleasure Navigation Commission decided as follows:

For the 2014 season only, rules T.8.d and T.8.e (pages 227 and 228 of 2011 Pleasure Navigation rulebook) will not be applied.

Each entry to the 2014 Championship will be required to supply at least one engine for an observed pre-season dynamometer test at a time and place to be arranged by the U.I.M. TCC.

The engine(s) tested must be declared to the U.I.M. TCC and fitted to the boat for racing in the Championship.
