

Equipment Rules of Sailing

C4.6 International Measurer

A submission from the Real Federacion Española de Vela and the Federacion Argentina de Yachting

Proposal:

A person authorised by the ISAF to inspect prototype boats for specific ISAF classes and recognised by ISAF **as qualified to carry out or to assist** in equipment inspection at international events for those classes.

Current Position:

As above

Reason:

To be consistent that an IM and in fact the class IM has the knowledge to carry out equipment inspections.

And with ISAF Regulation 15.7.6(e)
