Information for parents & sailors regarding the EUROSAF Youth Europeans Championships 2015

EUROSAF Youth European Championships

As a result of the late release of dates and no release of the Notice of Race for this event all the Youth Classes International Associations have now allowed their European or World Championships to clash to some extent with the published dates for the EUROSAF Youth European Championships.

Consequently there is no support from any European Member National Authority (MNA) to support this event with a full team of appropriate standard. **Therefore the RYA has reluctantly had to take the decision not to select and send a team to the EUROSAF Youth European championships in 2015.**

For clarity, sailors are not able to enter this event as individuals, only as a team nominated by their MNA, i.e. the RYA.

Should there be any change to the proposed dates then we will review our position with immediate effect and we remain committed to supporting this event proactively in future years.

As a result of this decision the RYA are currently reviewing what event support is available at all the Youth Class European & World Championships to ensure that those affected sailors have an appropriate opportunity to perform on the International stage.
