We hereby inform you of the start of a production run of a minimum of 50 boards of the following type (please tick as appropriate):

RACE BOARD					I	FORM	MULA B	OARD			\square
To be distributed internationally, an	d that	the	board	itself	meets	the	require	ments	of	the	current
International Raceboard/Formula Class	Rules	s. TI	he requi	red qu	antities	of 10	boards	will be	con	firme	d within
three months by sending in Part II of this	Registr	ration	, duly si	gned b	y the ma	anufa	cturer. \	Ne acce	ept t	hat	WORLD
SAILING or a representative of WORLD	SAILIN	IG m	av asks	for pro	of of di	stribu	tion and	inspect	t the	prei	mises of

production and we realise that non-compliance may result in the banning of this board from all FW or IRC events

and further action as decided by WORLD SAILING.

*Deck skin material: *Underside skin material:

HULL Construction: (may be referred to in case of a dispute)

Core material: Internal structures:

1 1

*If fibre reinforced plastic skins give brief details of type and quality of all reinforcements and resin used. Please complete the attached sheet in respect of the board specifications. The specifications detailed on this sheet will be the registered specifications for the board unless you advise otherwise.

Volume (displacement in water):
Weight : (Hull, including only mast-track, daggerboard case and skeg box)
Stiffness: Measured in accordance with WORLD SAILING recommended procedure)
No. of footstraps:
Skegbox system: Tuttle/Power/ (other)
Daggerboards (if any) Material:

We agree to supply only boards built in accordance with the above specifications and that the final weight and stiffness values shall be within tolerances of 5% and 10% respectively of the values recorded above (the maximum weight and minimum stiffness limits shall apply only to boards in retail outlets, ie before being sailed). All boards produced will be supplied marked with WORLD SAILING logo (minimum height 3cm) and the text "WORLD SAILING Approved Series Production Formula board" for Formula class boards and "WORLD SAILING Approved Series Production Raceboard" for Raceboard class boards as supplied by WORLD SAILING. We accept the final authority of WORLD SAILING on Measurement matters and accept the arbitration and decision of WORLD SAILING in this respect.

WORLD SAILING APPROVED SERIES PRODUCTION BOARD REGISTRATION - PART Ib continued CONFIDENTIAL

This form shall be completed and returned to:

WORLD SAILING Secretariat: WORLD SAILING (UK) Ltd, Ariadne House, Town Quay, Southampton, Hampshire, SO14 2AQ, United Kingdom -Email: Javier.blanco@isaf.com Fax: +44 23 80635789

BOARD DECLARATION - Builders are to submit detailed dimensions of their board on the **Hull Check Sheet** as follows:

With the bottom uppermost, mark off the hull at 100mm intervals, starting 200mm from the tail/ transom. Then, set up a spirit level laser pointing down the length of the board, with the beam starting at the '0' station, 200mm from the tail. Then measure at each station vertically to find the rocker measurements. Please enter on the 'hull check' Excel spread sheet. Correct the dimension to allow for the height of your reference beam above the hull at station 0. The Excel spread sheet shows 27mm as an example.

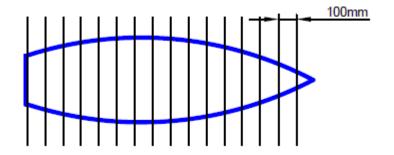

Vee and Concave

The vee and concave measurements are taken using a straight edge laid across the hull.

Width Measurements

The maximum width is taken at the start. Take the width measurements at 100mm intervals along the whole board length as shown below.

WORLD SAILING APPROVED SERIES PRODUCTION BOARD REGISTRATION - PART II Request for Inspection

CONFIDENTIAL - TO BE COMPLETED BY THE BOARD MANUFACTURER

This form shall be completed and returned to:

World Sailing. Secretariat: WORLD SAILING (UK) Ltd, Ariadne House, Town Quay, Southampton, Hampshire, SO 14 2AQ, United Kingdom- Email: Javier.blanco@isaf.com Fax: +44 23 80635789
