Laser and Laser Radial

A skipper's national flag with a nominal size of 567 X 337 mm shall be applied to both sides of the mainsail, positioned such that the aft edge of each flag is within 100 and 150 mm of the **leech** and between the sail numbers and the **batten pocket** below the sail numbers. The flag shall be approximately parallel with the sail numbers and letters and shall not touch the numbers. The flag shall be printed on separate material applied to the sail. The use of permanent ink pens or similar to make a national flag is forbidden. The national flag shall correspond to the national letters.
