

# Where do state and local government employees work?

A focus on how education jobs vary between state and local governments

Top 10 categories

Among education employment, local government primarily consists of elementary and secondary education, while state government primarily consists of higher education.

■ Elementary and Secondary Instructional  
 ■ Elementary and Secondary Non-Instructional  
 ■ Higher Education Instructional  
 ■ Higher Education Non-Instructional  
 ■ Other Education

<sup>1</sup> "Other and unallocable" is not a summation of the remaining small categories shown separately in the source data. Refers only to employees not assignable to any single category.
