

Interpretation Number	Interpretation of Regulation	Issue	Date of Interpretation
005-03	2.34	Continental Associations	10 November 2005

### **Question 1**

At the request of the Executive Committee, the Constitution Committee considered whether the Pan-American Sailing Federation can be the Continental Affiliate Member for two continents, both North and South America and the Caribbean.

### **Interpretation 1**

The answer is no.

The Constitution Committee understands that the region over which the PASF has jurisdiction covers two continents and that therefore it does not represent "a continent". However, if the application complies with the requirements of an Affiliate Member the Committee recommends that Council consider that part of the application.
