Update for parents & sailors regarding the EUROSAF Youth Sailing European Championships 2015

EUROSAF Youth Sailing European Championships

Following the decision of the RYA not to select and send a team to The EUROSAF Youth Sailing European Championships as a result of a series of date clashes with all the classes competing at this event, EUSOSAF have now moved the dates for the event and have published a Notice of Race in support of this. **The event dates are now 27th July – 2nd August 2015.**

As previously communicated, the RYA remains committed to support this event and should there be any change in the situation then we would immediately review our position.

Consequently the RYA now intends to select and support a full team to the 2015 EUROSAF Youth Sailing European Championships.

A Notice of Selection will be published in support of this after the next YSG meeting (16th Feb) along with Notice of Selection for ISAF YWC, UK Youth Squad & UK Youth T2 Squad.
