

# Youth Racing Communique 15/09 a

---

## Information for Junior Windsurf parents & sailors regarding the Techno Class World Championships 2015

### Regarding British Youth Sailing intentions for this event:

Following on from communique 15/08 and the publication of a Notice of Race, the RYA is now able to offer the following information on support to the Techno Class World Championships 2015 in Sardinia.

The British Youth Sailing Team will be able to support this event by providing two coaches (one for 6.8 course and one for 7.8 course).

The coaches will support current UK Junior Squad sailors.

For clarification, the support will be to the new Techno UK Junior Squad which will be selected following the UKWA National Championships on 19/20 September. However, any sailors in the current squad who are not selected into the new squad will also be offered the same support.

Once the coach's flights and accommodation have been booked and charter ribs arranged, the RYA will communicate with the squad sailors to confirm exact details. Training is likely to take place no earlier than 2 days before racing commences.
