

PERSONAL WATERCRAFT

COURSES

Personal watercraft are versatile, fun and exhilarating craft. The RYA's proficiency course prepares you for riding safely and responsibly and is designed for first time and experienced riders alike. Increasingly our certificate is required for launching in UK harbours and can be used to apply for the International Certificate of Competence, which is commonly required when using your personal watercraft abroad.

Assumed knowledge	Course content	Ability after the course	Min duration	Min age
None	Launching, handling and recovery skills, passage planning and decision making, high and low speed riding skills, essential safety information, collision avoidance and orientation at sea	Self-sufficient in good conditions and aware of the limitations of yourself and your craft	1 day	12
