1	CHI	Laser	07/12/2014	Question	I had some troubles of communication lately and I couldn't order the national flag with enough time to have it for today. That's the reason why I am asking if you can make the exception and let me sail without one.
				Answer	NoR 2.3 requires all boats competing in the ISAF Sailing World Cup to display national flags. Failure of boats to comply with this requirement shall be subject to to SI 26.8. The ISAF SWC Standard Penalty of NoR 2.3 is: "One point penalty added to the score of each race of the day". No dispensation can be given to these requirements.
2	JPN	Nacra 17	07/12/2014	Question	This is my first time sailing in an ISAF SWC. I bought second hand boat from Australian friend in a week ago and entered to Sail Melbourne but I didn't know that the flag is mandatory in this event. I just brought the code JPN but no flag. Please let us join the regatta without the approved national flag.
				Answer	See answer to Question 1.
3	AUS	Radial	07/12/2014	Question	I am missing a country flag for my Laser Radial for this regatta. This is my first radial regatta and I came to this event without thinking I needed a country flag as I had never needed one before for any laser regatta I had done before. Yesterday I managed to purchase one country flag however I have been unable to find another sticker.
