## APPLICATION TO RENEW INTERNATIONAL CERTIFICATE FOR OPERATORS OF PLEASURE CRAFT

Please allow 21 days for the certificate to be issued. Regrettably we are unable to respond to requests to check the progress of your ICC application within the first 14 days of this period. If you require your ICC sooner a Fast Track Service, which guarantees a 2 working day turnaround from the date we receive your application, is available. Please enclose the additional fee (see section 5) and tick the Fast Track box at the top of this page.

The RYA ICC is issued in conformity with Resolution No. 40 of the United Nations Economic Commission for Europe (UNECE) Working Party on Inland Water Transport. The certificate is available to a person who fulfils the following eligibility criteria:

- has reached the age of 16;
- is physically and mentally fit to operate a pleasure craft, and in particular, has sufficient powers of vision and hearing;
- presents one of the specified UK certificates or has successfully passed an examination to prove the necessary competence for pleasure craft operation (see section 4); and
- who presents evidence of nationality or residency to show that their nationality does not preclude them from being issued with a UK ICC by the RYA (see section 2).

Please ensure sections 4 - 6 are completed before submitting your renewal application.

**4. EVIDENCE OF APPLICANT'S COMPETENCE**

Unless you wish to have additional categories added to your ICC, the renewal process is simply a paper exercise. Your ICC will normally be renewed with the same categories validated as your expiring certificate. There is normally no requirement to produce evidence of competence for these categories. Please tick the relevant boxes in the table below to indicate the categories your existing certificate is valid for.

If you require any additional categories, please indicated which and provide evidence of your competence for those categories as detailed on the RYA web site at [www.rya.org.uk/go/icc-evidence](http://www.rya.org.uk/go/icc-evidence). This also applies if your existing ICC is valid for power driven vessels up to 10m LOA. Your new certificate will be issued with this length limit unless you provide acceptable evidence to demonstrate your competence for larger vessels. If you are renewing a certificate with the inland waters category that was issued prior to 1st April 1999, the category will only be re-validated if the RYA has evidence you have passed the CEVNI test.
