DofE programme with the RYA**

Doing your DofE

The concept of the DofE is simple – anyone aged 14 to 24 can do a programme at one of three progressive levels which, when successfully completed, lead to a Bronze, Silver or Gold Duke of Edinburgh's Award.

Because DofE programmes are all about getting out there, having fun and self development, everyone can achieve something. You'll find yourself helping people or the community, getting fitter, developing skills, going on an expedition and taking part in a residential activity (Gold only).

What do I need to do to achieve my DofE Award?

A DofE programme is made up of four sections (five at Gold). Over the required time you'll need to do each activity for an average of an hour a week. You'll need to show persistence, commitment and personal development. It's not something that can be achieved in a short burst of enthusiasm.

How do the activities overlap?

The activities you'll be involved with at your RYA Training Centre can be counted for your DofE programme. Find out more below:

Bronze (14+ years old)

To achieve your Bronze Award, you need to complete the following sections:

Volunteering	Physical	Skills	Expedition
3 months	3 months	3 months	Plan, train for and complete a 2 day, 1 night expedition
<i>You must also undertake a further three months in the Volunteering, Physical or Skills section.</i>			

Silver (15+ years old)

To achieve your Silver Award, you need to complete the following sections:

Volunteering	Physical	Skills	Expedition
6 months	One section for 6 months and the other section for 3 months		Plan, train for and complete a 3 day, 2 night expedition
<i>If you have not achieved your Bronze Award you must undertake a further six months in either your Volunteering or the longer of your Physical or Skills sections.</i>			

Gold (16+ years old)

To achieve your Gold Award, you need to complete the following sections:

Volunteering	Physical	Skills	Expedition	Residential
12 months	One section for 12 months and the other section for 6 months		Plan, train for and complete a 4 day, 3 night expedition	Undertake a shared activity in a residential setting away from home for 5 days and 4 nights
<i>If you have not achieved your Silver Award you must undertake a further six months in either your Volunteering or the longer of your Physical or Skills sections.</i>				

Choosing activities

There are lots of activities which you may already be doing at your local RYA Training Centre, which you could count for your DofE Award. Here are a few examples to get you started:

- Volunteering:** Helping out regularly at your RYA Training Centre, for example, being on one of the Committees, or generally helping at the centre; helping at your T15 or Onboard Club; becoming an Assistant Instructor or Instructor; coaching others in sailing, windsurfing etc...
- Physical:** Passing your RYA levels and gaining a certificate: windsurfing Start, Intermediate or Advanced; sailing Level 1, 2, or 3 or Advanced modules; taking part in a race, or race training...
- Skills:** Boat maintenance/repair; ropework; sailing theory; meteorology...
- Expedition:** This will usually be something that you will plan for, outside of your regular commitments with the RYA. It involves being in a team and completing an expedition for a set number of days. It can, however, be achieved in a sailing boat, so you could use your skills learnt in other sections to help you achieve this one!
- Residential:** Open residentials or camps, cookery courses, sailing courses, outdoor activity courses, photography courses...

Getting started

- Step 1** Decide which level of DofE programme you would like to do (this will depend on your age, time commitments etc).
-
- Step 2** Talk to the DofE Co-ordinator at the RYA Training Centre (Chief Instructor or Senior Instructor) and arrange to register to do your DofE programme.
-
- Step 3** Decide with your Leader (RYA Senior Instructor) what you are going to do for each section of your DofE programme.
-
- Step 4** Get Started! Don't forget to record on eDofE what you are doing and ask your Assessors to sign off each section as you complete them.
-
- Step 5** Once your DofE programme is complete, speak to your leader or the DofE Co-ordinator who will arrange for you to receive your certificate and badge. They can also advise you about starting the next level of Award, if appropriate.

How long will it take?

The time it will take to complete your programme and achieve an Award is in many ways down to you.

The shortest amount of time in which you could complete your Bronze programme is six months; your Silver, six months; and your Gold, 12 months (direct entrants will take longer).

During your programme you'll need to do each activity for an average of an hour a week over this time.

Don't forget – you have until your 25th birthday to complete any programme and
