Recognised Training Centre Price List 2017

This price list is to enable Recognised Training Centres to easily identify which items are needed for each course. The supporting books listed here are limited to core and recommended titles but you'll find more titles for further reading and development on our website. Visit www.rya.org.uk/shop for more information and to browse the full retail range.

RYA Training Centres automatically have a special trade discount which comes with RYA Recognition to enable centres to trade certain retail items. This offers discounts not only on RYA print retail products but other items that we sell.

These prices apply from January 2017. The RYA reserves the right to amend prices at any time.

Terms and Conditions

Trade purchases are governed by the RYA Trading Terms as amended by the special conditions set out below.

How to order

The RYA webshop is designed for **individuals and RYA members** to make purchases online. It is a valuable source of information but there is currently **NO** option for RYA Training Centres, trade accounts, and other organisations to order online; the discounts listed here can only be gained by ordering by phone or email using the details below:

Tel: +44 (0)2380 604132

Email: orders@rya.org.uk

Trade postage

UK Postage – £4.95 per 30 Kilo

Overseas Postage - Done by weight of order and varies by country - speak to the orders team for more information at time of order

Cancellation and Returns

Statutory cancellation rights do not apply to RYA training centres and other trade accounts. However the RYA will ordinarily accept requests to repurchase stock that is still current and in resalable condition for up to 28 days after the products were purchased. Requests for returns outside of the 28 day period and up to 12 months after purchase may be made to the Publishing Department.

ePacks

ePacks for some courses are now available to order from the RYA. It is not compulsory for centres to offer ePacks to their students, however, centres opting to offer ePacks must give their students the choice of how they wish to receive their course pack as an ePack or as a printed pack.

Before ordering ePacks, please read Training Guidance TG 15 -15 'Using ePacks for Courses' for a full explanation of ePacks, how to use them, what you will need to tell your students and the level of support that you will be required to offer.

eBooks

Unfortunately, eBooks are not covered under the Training Centre discount. They are linked to individual email addresses and there is currently no provision for widespread bulk selling of eBooks for trade (outside of ePacks).

The best way for Training Centres and other trade accounts to sell eBooks is by using the Partner Programme and gain commission on sales, visit www.rya.org.uk/go/partner for more information.

We would recommend that RYA instructors buy eBooks in the RYA webshop under their personal account to access the member's discount.

If a Training Centre needs to buy an eBook as shared teaching resource they can contact the Orders team but please note that no discount will be applicable.

eBooks as an instructor resources

The interactive content in RYA eBooks can be used as a demonstration or enhanced learning on and off the water. There is also a host of useful features (which we're always evolving) that will help you manage the content you want to support the way you teach, such as, bookmarking, note-taking, highlighting, inter-edition page history.

Visit www.rya.org.uk/go/ebooks for more information on RYA eBooks.

VAT

Items marked with an * include VAT at 20%, this typically includes eBooks, ePacks and other VAT-able items.
