Initiative Areas

Our efforts are organized around five initiatives:

- **Consumer Internet & Mobile**—enabling people to connect with others, make more informed decisions, access products and services efficiently, express themselves, and take action on what matters to them
- **Entrepreneurship**—investing in high-growth entrepreneurs that provide low-cost products and services to underserved populations and spur economic growth
- **Financial Inclusion**—extending access to high-quality, affordable financial services to the poor
- **Governance & Citizen Engagement**—encouraging accountability and effectiveness of government by increasing people’s access to credible information about government activities and money in politics
- **Property Rights**—fostering economic security, identity, and wealth creation by helping people establish, formalize, and leverage property rights
