

International Marketing

Introduction

In a global escalation of future market competition, it is compulsory to prepare and provide graduates to fill in the growing demands of professionals in international marketing fields. In order to face ASEAN economy community and global competitive market, many businesses expand abroad that requires skilled professionals to market products and services in the international market and respectively happened for overseas products and services.

The International Marketing Program is carefully catered for the challenges mention above. This program equips students with up to date knowledge, marketing practices, and soft-skills which enable them to survive and expand their capacities. The International Marketing Program has three values to be conveyed to students, i.e. **dynamic** (how to quick-response to the dynamic market trends), **creative** (how to design and execute creative marketing strategy and programs), and **digitalized** (how to apply digital concept in marketing activities in this technology era).

Vision

To be an internationally recognized business school in the continuous pursuit of innovation in education.

Mission

We are committed to implement innovative mindset in business education and research to develop professionals who can meet the challenges of industries and society.

Learning Goals

By the completion of our program

1. Management Concept

Each student should be able to comprehend business and management concept.
