

CHANGE OF PLANS

While we wanted to reopen for in-person instruction to provide as many weeks as possible before going online, we are unable to do so. Due to the current “watch list” status of the county, the California Department of Public Health has determined that we are not able to reopen at this time. School **WILL NOT reopen July 20**. The instructional staff will be working to establish a robust online program, including regular small group or individual in-person sessions when we do reopen. The current start date for that reopening is unknown.

Thank you for your efforts and assistance in getting ready for the start of the school year. Stay safe.

CAMBIO DE PLANES

Aunqué queríamos reabrir para recibir instrucción en persona para brindar la mayor cantidad de semanas posible antes de conectarnos, no podemos hacerlo. Debido al estado actual de la "lista de vigilancia" del condado, el Departamento de Salud Pública de California ha determinado que no podemos volver a abrir en este momento. **La escuela NO ABRIRÁ el 20 de julio.** El personal de instrucción trabajará para establecer un programa en línea sólido, que incluya sesiones grupales regulares o individuales en persona cuando reabremos. La fecha de inicio es desconocida.

Gracias por sus esfuerzos y asistencia para prepararse para el comienzo del año escolar. Mantenerse a salvo.

-Sr. Burkhart
